No.KASEZ/P&C/20/DSPF/2019-20

Dated: 12.09.2019

**CIRCULAR**

I am directed to inform that NSDL (SEZ Online Systems) is going to introduce a new Module called "DTA Service Procurement Form" (DSPF) in upcoming release. The salient feature of the module is that it has been developed to facilitate recording of all Service Invoices for Service availed by SEZ Units from DTA Suppliers and review and approval of the same.

All Units under SEZ are therefore requested to file the Service Invoice in DSPF format for review and approval of the same. The module may be implemented as a mandatory process for service procurement from October 2019 onwards.

For more details, office website i.e <http://kasez.gov.in> may be visited.

This issue is with the approval of the Zonal Development Commissioner.
